The National Spiritual Assembly
of the Bahá'ís of India

Dear Bahá'í Friends,

The Universal House of Justice has received your email letter dated 11 October 2005 regarding the situation that has arisen in relation to former staff of your Department of Finance. It was pleased to see that in this matter you have been acting upon the advice and counsel of your lawyers. With regard to your question as to whether you should now approach a lawyer of the stature of Mr. Soli Sorabjee, it is suggested that you seek the advice of Mrs. Zia Mody, who has assisted you in the past with such matters.

As it is clear that your Assembly has and will continue to have a significant number of legal issues to deal with, it is of utmost importance that the Committee for Property and Legal Matters become fully functioning, so that such matters can increasingly be referred to it.

With loving Bahá'í greetings,

Department of the Secretariat
